6100 Wax/Resin Thermal Transfer Ribbon

Description:

A high-performance wax/resin thermal transfer ribbon is a special ink formulation for use with Zebra thermal transfer printers. This ribbon provides outstanding print quality combined with chemical and solvent resistance. By providing smear and scratch resistance on Zebra paper and synthetic label stocks, this ribbon results in excellent staying power and durability in harsh environments.

Suggested Applications:

- Labels exposed to solvents and chemicals
- Labels subject to abrasion or friction
- Outdoor labeling applications in extreme environments
- Chemical drum labeling applications
- Labels exposed to water, steam, alkali or acid solutions
